GUEST INFORMATION

Arrivals and departures

- Arrival - 3pm to late.
- Departure - before midday.

If you want to arrive or depart outside of these times, we will do our best to fit in with what you want to do - for example, if you are going to a wedding and need time to change; or if you are a business guest, and want a late arrival or early departure. Just let us know when you book, and we'll try to sort things out for you.

Breakfast

Breakfast is usually served between 7.30am and 10am - but we'll fit in with whatever time you'd like it served, as far as possible.

Payment

We accept cash or cheque with guarantee card.

Pets

We're sorry, but we can't accept any pets. (Guide or assistance dogs are of course welcomed)

Resident Animals

We keep our own chickens - although sad to say, Mr Fox has reduced numbers of late, so they no longer are able to provide enough eggs for breakfast. They have their own large run in the garden, off to one side.

Transport

Guilden Sutton is on a couple of city bus routes and are about a 10-minute taxi ride from the city centre. We can arrange a taxi for you during your stay (please let us know in advance so that we can make bookings).

Taxis

Let us know when you make your booking if you need a taxi - we use a reliable local firm.

Other Information

Please advise us of any special requirements, allergies or diets prior to your arrival, and we will make all reasonable attempts to meet your needs.

As with all accommodation in England, smoking is not allowed in any part of the building. (Guests may smoke in the garden, but we ask you to ensure you do not leave any litter.)
